BOOKNOTES

Book Group

Eugene Hotel book group members will meet in the library at 2:30 p.m. on Thursday, September 28. This month, book group members will discuss *Travels with Charley: In Search of America* by John Steinbeck.

Travels with Charley is a travelogue that depicts a 1960 road trip around the United States made by Steinbeck, in the company of his standard poodle, Charley. Steinbeck wrote that he was moved by a desire to see his country on a personal level, since he made his living writing about it. He wrote of having many questions going into his journey, the main one being, "What are Americans like today?"

Steinbeck tells of traveling throughout the United States in a specially made camper he named Rocinante, after Don Quixote's horse. His travels start in Long Island, New York, and roughly follow the outer border of the United States. Such a trip encompasses nearly 10,000 miles.

A new introduction to the 50th anniversary edition of the book cautioned readers that "it would be a mistake to take this travelogue too literally, as Steinbeck was at heart a novelist."

In October book group members will read and discuss *What the Dog Saw* by Malcolm Gladwell.
