## BOOKNOTES

### Book Group

The Eugene Hotel book group members will meet in the lounge on **Tuesday, March 31, at 2:30 p.m.** We will discuss *Ordinary Wolves*, by Seth Kantner, born and raised in Alaska. The story is narrated by Cutuk Hawley, a boy growing up in remote Alaska. He lives with his father and siblings in a sod igloo, with the pastel arctic sky overhead and animals all around. He only knows of the outside world through what the mail plane brings and his brother's memories of Chicago. Cutuk finds his way, navigating between sled dogs, between the ancient ways of the wolf pack and the ever-approaching drone of the world beyond.

In April, the book group will read *War in Val d'Origo*, by Iris Origo.
